

Town Comprehensive Plan (also known as “master plan”)

A town comprehensive plan “ ... consists of the materials, written and/or graphic including but not limited to maps, charts, studies, resolutions, reports, and other descriptive material, that identify the goals, objectives, principles, guidelines, policies, standards, devices and instruments for the immediate and long-range protection, enhancement, growth and development of the municipality.”

New York State Chapter 418 of the Laws of 1995 amending Town Law § 272-a.

Town of Webb Planning Principles

CONTRIBUTION

All who share in the natural, social, cultural, and financial wealth of the Town of Webb have the responsibility to contribute to that wealth.

NATURAL RESOURCES

The most important criterion for acceptable growth is the protection of the Town’s vast natural resources -- the strongest common bond for our community and economy.
