

## 7. MAPS & APPENDICES

A series of maps, prepared by SUNY Plattsburgh and Paul Smiths College, are included here as further background information on the Town of Webb and its region. (fold out maps inserted)

The following appendices are on file at the Town of Webb Supervisor's Office in Old Forge. These materials are important supplements to this Plan, providing more in-depth background information and research.

- 7.1 Town of Webb Master Plan Advisory Committee (MPAC), Working Group reports, misc. dates, 2000 - 2001.
- 7.2 Communities 2000 report, Visioning Report: Prepared for the Communities of the West Central Adirondacks, October 1999.
- 7.3 Community Trends Research, January 2000, prepared by New York Planning Federation.
- 7.4 Documented Interviews
- 7.5 Town Planner Job Description, 1992, Town of Altamont
- 7.6 Report on SUNY-ESF Community Workshops, July / August 2001.
- 7.7 Planning for Housing Report, February 25, 2002, New York State Rural Housing Coalition, Inc
- 7.8 Communities Connection Plan, January-February 2002, report and proposal by Jeff Olson, Trails Consultant.
- 7.9 Adirondack UMP Initiative, Status Report, August 2001.
- 7.10 West Central Adirondacks Communities Master Planning Project, September 2001, a summary report of workshops for Inlet, Forestport, and Webb, by Palmer and Hoffman, The Council for Community Design Research, SUNY College of Environmental Science and Forestry (ESF).
